I am in my second week of owning a new pair of Stance Rockport Vans. I must say, for the price, they are pretty damn awesome! They are extremely comfortable, and have a really great fit. They look and feel fantastic! They're very clean looking and very stylish. They are not really my typical sneaker, but I am really happy with how they look. I'm always looking for good-looking, comfortable, sneaker-like-sandals, and I think I've found it! I picked them up at an outlet store for about \$40; about 75% off of retail. This is a great price for a pair of some of the most comfortable, stylish sneakers on the market. They are heavily made of leather and synthetic materials, and tend to be sturdier than your typical canvas sneakers. They're much more comfortable than my older Vans, and provide a more form-fitting fit than my older pair. I've had a bit of trouble deciding if I really want to see them chalked, or go with a solid color. They're quite comfy, so I'm probably leaning towards a solid color.Q: adding an icon to a link I have a link like this: Click me I want to add an 3da54e8ca3
