Sleeping Dogs is an upcoming action-adventure game developed by United Front Games and published by Square Enix. It is to be

released on July 19, 2016 for Microsoft Windows through Xbox One, PlayStation 4, and Microsoft Windows, and is to be available in a standard edition and a collector's edition. Sleeping Dogs is the sixth installment of the Sleeping Dogs series and is the first third-party game developed for PlayStation 4 and Xbox One. Sleeping Dogs takes place in a fictionalized, Eastern-inspired version of the greater Hong Kong metropolitan area in the years following the 1989 Tiananmen Square Massacre. Object of the

game is to infiltrate the Triad-controlled territory and destroy them. There are no restrictions on weapons or perks, but the game does feature a storyline that determines how the player chooses to play. The game also features a game mode known as Hong Kong Urban Jungle, in which the player must evade law enforcement and clear the street of criminals.

The player takes the role of Wei Shen, a detective with the Hong Kong Police Force's Criminal

Investigation Division (CID). In the game, the player is tasked with infiltrating the Triad-controlled territory and destroying them. There are no restrictions on weapons or perks, but the game does feature a storyline that determines how the player chooses to play, with options that allow the player to be more stealthy or aggressive. During gameplay, the player can choose to focus on either elements of gameplay that are similar to an open world game, such as infiltration and traversal, or elements that are

specific to a stealth game, such as sniping, being unseen, and hiding in plain sight. The gameplay elements in Sleeping Dogs are based on the Hack 'n' Slash genre, like in most of the games developed by United Front Games. The game's emphasis on stealth, evasion, stealth combat, and hiding from detection is similar to that of the Metal Gear series.[3] Sleeping Dogs features the use of a new gameplay mechanic named "Combatives", which is similar to stealth combat and is similar to the unarmed combat found in Metal

Gear Solid. This mechanic is described as "an all-out violent melee combat system that enforces real-world physics and allows players to execute unique combos, swipe and slash to attack enemies, toss objects and turn foes into human ash." [4] The game includes a
