Google has many special features to help you find exactly what you're looking for. The original blog that started it all... because anyplace really is the limit.

Thursday, April 19, 2007 As I do my morning commute, my mind wanders to the places I plan to travel to over the coming year. Yeah, I'm that guy. Just can't help it. And it's not for any parochial reasons. It's just that I am THAT guy. (Surprised?) The trips that come to mind are four in all. First, I have been planning a family road trip to Vermont to visit relatives. I've been wanting to do this for a while now. It's a long trip, but it's also one that I've already done once (under the better circumstances). My plan is to be up there in early June. After that, I'm going to be driving from Seattle up to Portland, where I'll
