The IRS also argues that the strict application of a cost-recovery provision that benefits taxpayers violates the principle of equality. The argument is that the tax laws should not allow a taxpayer to take advantage of a tax benefit \*1058 only because it qualifies as an investment. The principle of equality does not apply to the taxation of a taxpayer's choice to use a tax benefit. The Commerce Clause does not grant Congress the authority to tax a 6d1f23a050
